In the event the Services are delivered to the United States Government, the United States Government hereby agrees that the Services qualify as “commercial items” within the meaning of the Federal acquisition regulation(s) applicable to this procurement. The terms and conditions of this Agreement shall pertain to the United States Government’s use and disclosure of the Services, and shall supersede any conflicting contractual terms and conditions. 20. MISCELLANEOUS TERMS. This Agreement contemplates the execution by the parties of one or more Orders, however, neither execution of this Agreement, nor anything contained herein, shall obligate either party to enter into any Orders. BMC is not liable for its failure to perform any of its obligations under this Agreement during any period in which performance is delayed by Customer or circumstances beyond BMC's reasonable control. The parties are independent contractors and this Agreement does not create a partnership, franchise, joint venture, agency, fiduciary, or employment relationship between the parties. This Agreement, including any Exhibits and Orders constitutes the entire agreement between Customer and BMC and supersedes any prior or contemporaneous negotiations or agreements, whether oral or written concerning the Services. There are no representations, promises, warranties, covenants, or undertakings between the parties other than those expressly set forth in this Agreement. There are no third party beneficiaries to this Agreement; Customer is not entering into a contractual relationship with BMC’s licensors and BMC’s licensors have no liability to Customer. No modification or waiver of any provision hereof will be effective unless made in a writing signed by both BMC and Customer. Customer may not assign or transfer this Agreement or the Services to a third party, whether by merger or otherwise. EXHIBIT A

Service Level Agreement

Availability

BMC will use commercially reasonable efforts to make the Services available at least 99.9% of the time, except as provided below ("**Service Commitment**"). This Service Commitment is not applicable to Customer Applications or Third Party Applications. Availability will be calculated per month, as follows:

$$\frac{(\text{Service Time} - \text{Non-excluded Downtime} - \text{Excluded Downtime})}{(\text{Service Time} - \text{Excluded Downtime})} \times 100$$

Definitions

"**Service Time**" is the total minutes for a given calendar month.

"**Excluded Downtime**" is all unavailability caused by (1) scheduled or mutually agreed upon downtime to perform routine, non-emergency or emergency maintenance on the Services; (2) downtime on nonproduction systems; (3) factors outside of BMC's reasonable control, including any force majeure event, including without limitation, acts of God, acts of government, flood, fire, earthquakes, civil unrest, acts of terror, strikes or other labor problems (other than those involving BMC employees), or Internet service provider or power failures or delays; (4) failure of Customer's Internet access or related problems; (5) Customer's equipment, software, including but not limited to Customer Applications, or other technology and/or third party equipment, software, including but not limited to Third Party Applications, or other technology (other than third party equipment within BMC's direct control); (6) actions or inactions of Customer or any third party; or (7) service suspensions or termination of Customer's right to use the Services in accordance with the Agreement.

"**Non-excluded Downtime**" is all downtime that is not Excluded Downtime.

Service Credits

In the event BMC does not meet the Service Commitment, Customer will be eligible to receive a Service Credit as described below. Service Credits are calculated in accordance with the table below as a percentage of the total subscription charges paid by Customer for Services for the month in which BMC does not meet the Service Commitment.

Monthly Availability Percentage	Service Credit Calculation
---------------------------------	----------------------------

Below 99.9%	1 minute of credit based on monthly subscription charges for every 1 minute below the Service Commitment
-------------	--

Service Credits will be applied against Customer's next invoice. A Service Credit will be applicable and issued only if the credit amount is greater than \$1 USD. Service Credits may not be transferred or applied to any other BMC service or account. Customer's sole and exclusive remedy for any unavailability or non-performance of the Services or other failure by BMC to provide the Services is the receipt of a Service Credit (if eligible) in accordance with the terms of this Exhibit A. Upon expiration or non-renewal of this Agreement and/or the applicable Order, all Service Credits will be forfeited (for example, if the Non-excluded Downtime occurs in the last month of the Order term and Customer does not renew, then the Service Credit is forfeited).

Credit Request and Payment Procedures

BMC will provide Customer with a monthly availability report. To receive a Service Credit, Customer must submit a request by sending an e-mail message to SLArequest@bmc.com. To be eligible, the credit request must (i) include Customer's account number in the subject of the e-mail message; (ii) include, in the body of the e-mail either the BMC-provided monthly availability report, or, the dates and times of each incident of Non-excluded Downtime that Customer claims to have experienced; and (iii) be received by BMC within 30 days after the end of the month in which the Downtime occurred. If the Monthly Availability Percentage applicable to the month of such request is confirmed by BMC and is less than the Monthly Availability Percentage, then BMC will confirm the Service Credit to Customer within 15 days of receipt of the Service Credit request. Customer's failure to provide the request and other information as required above will disqualify Customer from receiving a Service Credit.
